

Application Serial No. 10/574,169
Response dated September 19, 2011
Responding to Notice of Allowance dated August 26, 2011

REMARKS

Claims 10-16, 18-23, 25-27 and 30-33 were allowed per the Notice Allowance dated August 26, 2011. Claims 16, 18, 26-27, 30 and 32-33 are currently amended. The amendments to Claims 16, 18, 26-27, 30 and 32-33 in no way change the scope of the claim. The amendments were made to correct typographical errors, such as amendments that address issues of antecedent basis, and merely improve the clarity of the claims.

For at least the foregoing reasons, it is respectfully submitted that the present amendment should be entered. To the extent the Examiner believes there are other issues that need to be addressed, the Examiner may call the undersigned to have those issues addressed at 412-392-2121.

Entrance of the present amendment and issuance of the application as a patent are respectfully requested.

Respectfully submitted,

Dated: September 19, 2011

/Ralph G. Fischer/
